## WVCSD Professional Learning Newsletter

[Click here to visit our Professional Learning Website](#)

### Starting off right with P.D.

### "Falling into P.D."

The start of the year was full of exciting training! Our PLC days are a success. We also launched IRLA and our Android tablet training!

### What's New?

November 10th is our next Superintendent's conference day. This promises to be an amazing event all dedicated to "Domain 3C-Student Engagement". Classes will be released for registration on My Learning Plan in early November. Be sure to register quickly for your favorite classes!

### New Handouts:

 [Using The Aver Document Camera](#)

### Current Screencasts

#### [Five Minutes In Your Inbox](#)

A very brief introduction to the Gmail Inbox and how to start Customizing it to work for you.  
by Jennifer Cronk

#### [Using Chrome & SMART Boards](#)

Do you have a problem using "touch" on your SMART Board? This quick tutorial will fix that!  
by Yvonne Koulikov

#### [Creating a "Classroom"](#)

Haven't had the chance to check out Classroom? Check out the beginning steps to using Google Classroom.  
by Paul Garofano

#### ["Classroom" Assignments](#)

Step by step instructions on creating and sharing a class calendar to students or parents  
by Jennifer Cronk

### Noteworthy Android Apps:

Are you looking for some apps to try out with your class? Let Jennifer Cronk know if you would like one purchased.

#### [Explain Everything](#)

A tool to screencast, annotate, animate, & narrate, slide shows.
